## DAY 2 – WHY SKILLS MATTER TODAY

### Post Type:

Carousel

### Topic:

The Degree Alone Is Not Enough

### Caption:

 A degree opens doors.

 Skills help you walk through them.

Today's employers look for:

- ✓ Practical Experience
- ✓ Project Work
- ✓ GitHub Portfolio
- ✓ AI & Tech Skills
- ✓ Problem-Solving Ability

The students who continuously upgrade their skills stay ahead of the competition.

Don't wait for opportunities.

Create them.

## DAY 3 – BUILD A STRONG RESUME

### Post Type:

Carousel

### Topic:

## Resume Mistakes Students Must Avoid

### Caption:

- ✗ Generic Resume
- ✗ No Projects
- ✗ No Certifications
- ✗ No Skills Section

A recruiter spends only a few seconds reviewing your resume.

Make it count by showcasing:

- ✓ Relevant Skills
- ✓ Projects
- ✓ Certifications
- ✓ Internships
- ✓ Achievements

Your resume is your first impression.

## DAY 4 – GITHUB & LINKEDIN MASTERCLASS

### Post Type:

Carousel + Story Poll

### Topic:

Build Your Digital Presence

### Caption:

Your LinkedIn and GitHub profiles are your online resume.

- 👛 LinkedIn:
- ✓ Professional Profile Photo
- ✓ Strong Headline

- ✓ Certifications
- ✓ Networking

 GitHub:

- ✓ Upload Projects
- ✓ Maintain Repositories
- ✓ Showcase Contributions
- ✓ Build Your Portfolio

Recruiters check these profiles before interviews.

Are yours ready?
